**Title:** ISF Progress Report Registration

**Date:** 10/26/2009 2:37:04 PM

**To:** Automated Broker Interface, Ocean Manifest

CBP is still accepting registration for ISF Progress Reports. Please be advised that ISF Filers and C-TPAT Tier 2 and 3 importers are eligible. Requests for report should be sent to: Progress\_Report@cbp.dhs.gov. Filers should provide their Company Name, Filer Code, Point of Contact, Point of Contact Telephone, and email address to which the report should be sent. C-TPAT Tier 2 and 3 importers should provide the same information except instead of a filer code they should provide the importer of record numbers they wish included in the report as well as which Tier they are.

CBP does not typically respond to registration requests unless there is a problem with the information submitted. Please expect your first report in the first week of the month after you sign up. Each report provides information going back to January, 2009.

For more information or questions please send email to: progress\_report@cbp.dhs.gov.
